Lines 5, (5a through 5f) Business allocation formula

A business allocation formula consisting of the average of property, gross receipts and wages paid, may be used by business entities not required to pay tax on entire net profits, by reason of doing business both within and outside of Walton Hills. However, if the books and records of the taxpayer shall disclose with reasonable accuracy the net profit attributable to Walton Hills, then only this portion shall be considered as having a taxable situs in Walton Hills.

Sales and gross receipts in Walton Hills means:

- 1) All sales of tangible personal property which is shipped from Walton Hills to purchasers outside of Walton Hills regardless of where title passes if the taxpayer is not, through its employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.
- 2) All sales of tangible personal property which is delivered within Walton Hills regardless of where title passes, even though transported from a point outside Walton Hills, if the taxpayer is regularly engaged through its employees in the solicitation and the sales result from such solicitation or promotion.
- 3) All sales of tangible personal property which is delivered within Walton Hills regardless of where title passes, if shipped or delivered from a stock of goods within Walton Hills.

Line 6 Amount allocable to Walton Hills

Multiply line 4 by the average percentage (line 5f).
